Quatermain's 1920's Safari Camp is a beautiful, intimate and rustic, 3 star graded, tented camp situated on the stunning Amakhala Game Reserve, Eastern Cape

Quatermain's Safari Camp accommodation is located on the beautiful Amakhala Game Reserve between Port Elizabeth and Grahamstown in the malaria free Eastern Cape of South Africa

This classic, 1920's style expedition camp is modelled on the heyday of exploration. But golden era when adventures lay around every corner

Our aim is to offer guests the opportunity to experience the romance of those early safaris coupled with five star game viewing

Small and intimate, Quatermain's Camp offers the very best that an African safari can: authentic tented accommodation, excellent drivers, warm friendly company and exciting safari drives

Quatermain's Safari Camp Accommodation

Our intimate 6 bed camp offers you the opportunity to experience 'Africa under canvas', with these classic 1920's style safari tents fitted out with military campaign style furnishings, the choice of pioneers, hunters and explorers of that time

As you unwind on your own private deck, you may be lucky enough to see an elusive Bushbuck or hear the cry of the African fish eagle

All night as you lie under canvas, one of the highlights of your stay is sure to be drifting off to sleep to the sounds of nature - you can frequently expect to hear jackals calling, the beautiful wails of the bay weaved nightjar, maybe a croaking horned owl or if you are fortunate, the call of lions

Relax in the centralised lounge area where local delicacies are prepared in front of you on an open fire, and dinner is served under a blanket of stars

Every effort has been made to stay true to the expedition style, with conscious only being allowed for rustic bathrooms with modern conveniences
